

\$1,500 Employee Referral Bonus Voucher

This voucher is good for a \$1,500 referral bonus when you refer a candidate to a Support Services position at BIDMC!

To refer a candidate directly from a posted job requisition, open the job requisition in Workday from the 'Find Jobs- BILH' report and once on the desired requisition, select the "Refer" button. Once filled out, this will send your referral a specific application link, coding them as your referral for the job for which they are applying.

- This bonus will be paid out in your paycheck upon your referral being employed and in good standing for 90 days.
- BIDMC supervisors/managers/directors/senior leaders and members of the Human Resources staff who are directly involved with staffing may refer applicants, but they are ineligible to receive a bonus.

For full rules and process information, please refer to the Portal.

Bonus eligible jobs are subject to change based on the hospitals hiring needs and will be determined by Human Resource on an ongoing basis. Human Resources reserves the right to change the bonus eligible jobs at any time. Additionally, all payouts are subject to standard state and federal tax withholdings and are processed through the BIDMC Payroll Department.
